London, England
I really don't remember!
My previous self aside,
since I got engaged to Amanda...
to get someone pregnant...
Please believe me, Cristo!

So, who is the girl?
She's a housekeeper.. called Isabel.
Okay. Leave it to me
Thank you, Cristo
It's for my little sister.
It's not for you.
For my sake..

I informed you of my absence...
At Your Service
Australia
It has to be you
Isabel,
Me?
There's a client that requested you.
He must have heard you are a talented housekeeper.
The pay is more than usual
I don't think you can turn down such an offer.

Why ?
To go so far
It is scheduled for the day after tomorrow and lasts 1 week
He is staying in Melbourne.
The clients preferences are...
for me...
Maybe it has something to do with him?
Maybe
It's Hue Harrington...
Because...
Hue Harrington found out about the pregnancy
the timing is too good
and if he sent a representative

Christiano Veron
The president and CEO of an airplane marketing company
That's unlikely.
To come all the way from London...
I'm thinking too much.
Just like the other clients of At Your Service...
A celebrity among celebrities...
It must be someone's referral...
I am a very capable housekeeper
And it's not the first time that I've been requested specifically

Yes
Please call me Miss Brown.
Isn't that a little formal?
No, At Your Service...
I take etiquette very seriously.
What about you personally?
Do you like formality?

The uniform is required,
As well as practical and...
Especially that gray uniform...
It is also very formal.
Unshapely?
No...
I was going to say "easy to work in."

Okay.

Don't worry.

And then show you around the house
I will prepare a quick tea,

Isabel Brown...

I did go to Melbourne...
For work.
But I have no memory of meeting...
A housekeeper named Isabel Brown.
Then out of the blue, on the answering machine,
she leaves a message that she got pregnant.
What on earth should I...
You haven't told my little sister, Amanda, have you?
Calm down Hue.
Of course not!
Even without this she's going crazy with the wedding preparations!
Anyways, I'll go and see...
What it is that this person wants

No, I can't tell because
Of that loose uniform.
Is she really pregnant?
However she really isn't anything like
The type that Hue likes
Somehow I need to create a familiar atmosphere
And find out what Isabel really wants

No
In all the 28 years I've been alive I've never been so aware of one man
This is troublesome
But this is the first time a client has bothered me so much

I'm not the one pregnant!
Wait a moment!
What...?
Little sister...?
What is this about?
But you're wrong!
Yes I am!
It's my *little sister* that's pregnant!

Please let me explain!

Isabel...

'Three months ago...

I was scheduled to be housekeeper for Hue Harrington.

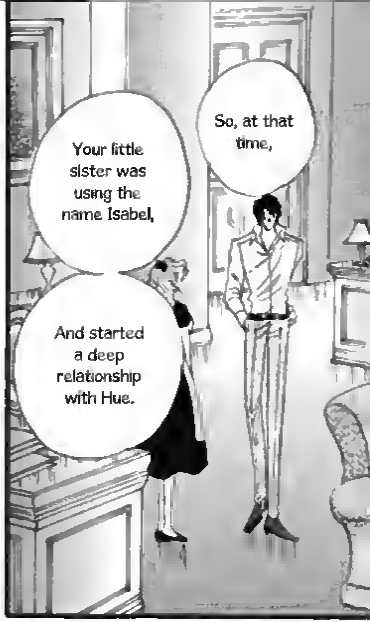
But I caught a cold and my little sister went in my place.

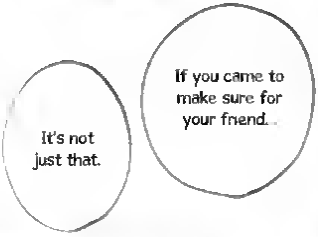
Since my little sister Francesca had also been a housekeeper,

I could leave it up to her

Since she was no longer a staff there,

She just went using my name.





Choja Manhwa Gang

my sister is getting ready for her wedding.
While Hue's baby is getting bigger...
inside your little sister tummy,
My little sister doesn't know anything about this.
Didn't know anything.
We also..
I would like to talk to your little sister soon.
So in that case,

Shojo Manhwa Scans

Francesca!

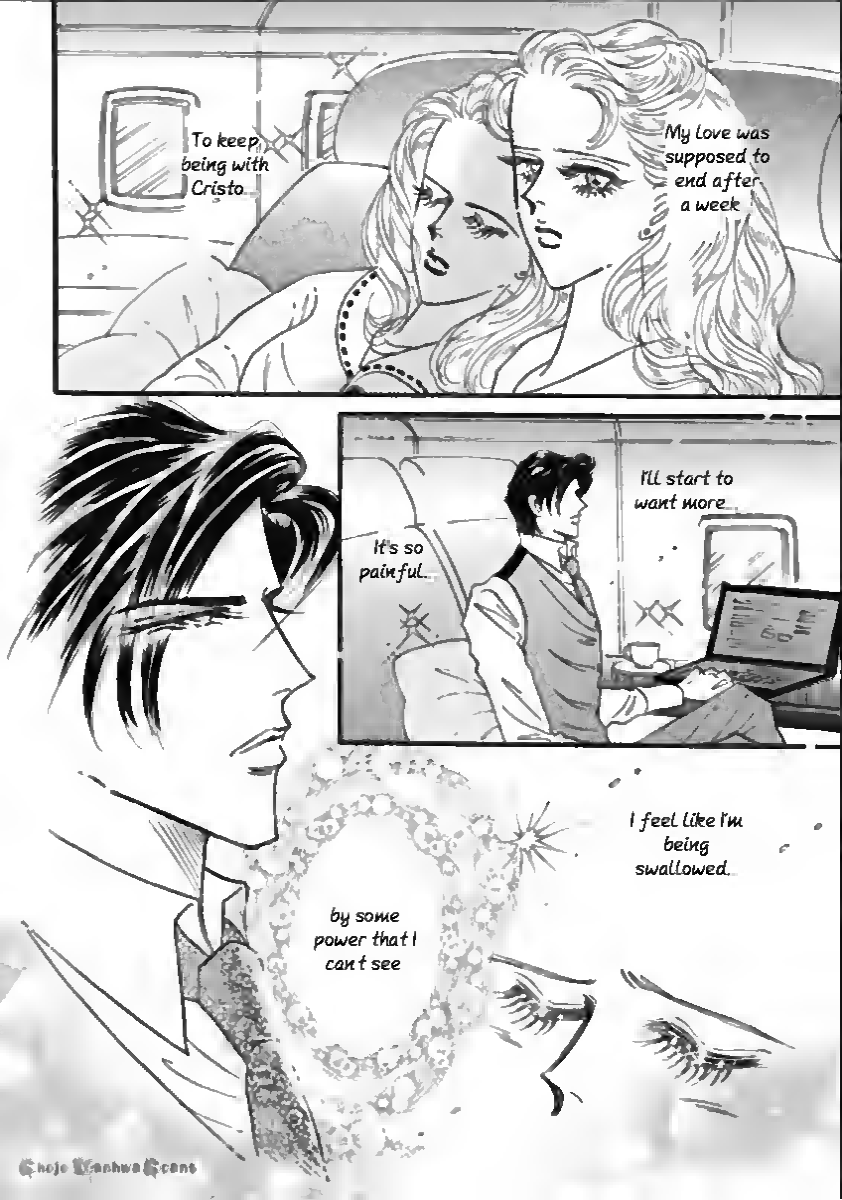
So you're Mr. Clean up?
Anyways, please come in.
Chessie!!
If you're planning on paying off for your little sister's sake..
I'm not here for that

So even though the little sister is the one that called...
Even if she gave her real name...
Hue wouldn't know who that was
No.
You used your sister's name well didn't you?
My sister already told you why I used her name.
I can't believe Harry doesn't remember me!
What?
But he didn't even know who Isabel Brown was

The proof is here inside me!
We've met!
Calm down Francesca.
He says he's never even met you.
Harry is Hue's nickname though.
So there's only one way to resolve this.
And says he has nothing to do with this
Hue doesn't remember you...
I'll have you meet Hue in person

You can do that?
Wait
I have to work.
I'll take you to London with me
Please stay at my house,
And I'll take care of all expenses
I can't go to London
I'm hiring you.
I'll just prolong the current contract.

What are you saying?!
Sister!
I need to think about it
Cristo_
I would have done the same after raising some money!
It's an offer we can't refuse!
Please!
I do understand
Don't you understand?
It's hard!
But_



To keep being with Cristo
My love was supposed to end after a week
It's so painful..
I'll start to want more..
I feel like I'm being swallowed..
by some power that I can't see

Happiness and relief?
wasn't Isabel.

A huge mansion with a limousine and a driver

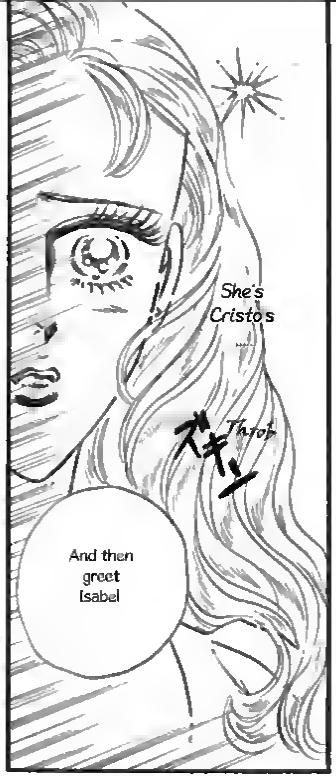
You suddenly took off for Australia!
You ignored my message, didn't you!
You're awful!
Hey!
There's something I needed to talk to you about!
Take a deep breath,
Before you hyperventilate.
Amanda!
That Harry hates shrimp ...
Even though I've told the planner over and over

Hello Isabel.
Oh! I'm sorry.
I didn't realise.



She's Cristos
Throb
And then greet Isabel

I'm Amanda
Nice to meet you.

I want it to be over,
I'm going crazy because of the wedding ceremony!
So I can return to my normal self.

It's the truth, isn't it?
You thought I only think about myself, didn't you?

Amanda
This is a nightmare.
Throb
Eeeek!
But my name will change to Mrs Harrington!
This girl. Doesn't know anything
The reason I flew off to Australia is -
Ooh!
Grab
Isabel!

I'm always surprised by you!
Hey...
So it's like that!
Cristo...!?
Thump
Thump
Thump
I've got it... The obstruction will leave
To the caterers!
But Cristo, please say something...
OK
I'll deal with it.
But they'll listen to you!
They won't listen to me or the planner,

She's so cute!
Ah, Cristo!
Yes,
Sounds good.
Isabel,
Let's grab lunch together some time!
Mama is still travelling,
to the Delahanty Charity party
I almost forgot.
I want you to go in my place ...
Is that okay?
You can take Isabel with you!
So if you're here, I want you to go.
And Harry and I won't be back by then,

I'm sure it will be a fun night!
I've got it, so go to bed!
Oh well...
So that was your little sister.
She's very..
Shrill?
Selfish?
I was going to say cute!
You say that because you're too sweet.

Thump
I know ...
That I'm too kind to her
When Amanda was born,
Her heart-beat was abnormal ..
Her heart rate would drop,
And they performed surgery many times..
But it never got too weak sounding
What?
Is she okay now ?
The last operation was a miracle,
And now she's just fine.
I'm glad

Your little sister ..
Is full of dreams about her finacee.
I just remembered that kiss
Yes.
Amanda believes it's true love.
But you don't think so...
Even though they suit each other...
Cristo doesn't believe in love

Shojo Manhwa Scans

Not if Hue ..
Got your little sister pregnant.
Yes...
That's true...
But Hue...
Over a year proved ..
His love for Amanda to me
I thought he'd finally grown up but..
At first I was against their engagement.
Hue's a friend but,
He's famous for loving to party
I didn't think that he'd really want to marry my sister.

With that, your sisters
Have a reason to stay in this house
Anyways, until Hue returns,
You'll stay here as my 'lover'
Lover ?
You'll go to the charity party with me.
I'm your lover.
No one will believe that..
Okay, Isabel?
It's because she doesn't know that I'm a house-keeper
What?
So by tomorrow, half of London will know
It looks like Amanda believes it.
Because she's a gossip.

I'll have someone prepare
Your dress and make up.
Don't worry
That was amazing
It's like Pretty Woman!

It's amazing.
Really amazing.
This London society
No one will doubt you.

Famous people and royalty in tiaras

Just like this... Forever... Even if it's a dream.
If only the play would continue like this forever..
I hope I never wake up

No, it was fun.
Are you tired, Isabel?
I still want to show you off.
This weekend, I'll take you to the opera.
I don't like the screaming and the crying, and the gaudy tragic scenes..
As a child I watched it until I was sick of it.
Why?
I don't really
Like the opera ...

For the act?
Yes...
Because of your parents?
Tell me about it.
I want to know about you.
No..
The act is over
I want to know for myself...
All about you.

My mother was an opera singer.
My father was a stage manager.
They were always traveling
When they did meet, they just fought.
We sisters were raised by our grandmother.
They worked on different projects and were never together.
Our parents would visit occasionally,
But right after our father died,
Our mother brought home a new man
That was the last time we saw our mother,
But it was for the best

At the end of their continuous fighting..
Our grandmother adopted us,
And we could finally live in peace
My grandmother was a wonderful person.
How...
Can you see that?
I can see that.

You learned everything from your grandmother,
By looking at you.
Isabel
And grew into a wonderful person.
You...

Why are you here?
I came after you
There's something I have to tell you
Ever since I met you,
I've been captivated by you
Cristo

I...
Even though I thought I was pregnant with Hue's child?
I was praying it wasn't true.
You weren't Hue's type.
You are my type.

Your honest eyes...
Captured my heart and didn't let go.
I love you.
I love you, Isabel.
Without you, my life is grey
Cristo ..
I hate grey

Of course.
I love you Cristo.
I want you to be my wife
I love you..
More than anyone
I give you my true love

I swear
eternal love
...
I love
you.
To my
prince.
